_WELCOME TO THE COMMERCIAL PORTS OF CATALONIA

Ports de la Generalitat is a public-sector company affiliated to the Department of Territory and Sustainability of the Generalitat of Catalonia.

Ports de la Generalitat is in charge of running all non concessioned fishing harbours, marinas and cargo ports directly managed by the Catalan government. This is a total of 26 facilities where among them the cargo ports of **Palamós (Girona), Vilanova i la Geltrú (Barcelona), Sant Carles de la Ràpita and the port of Alcanar (Tarragona)** are part of it.

All the commercial ports of **Ports of Catalonia** are recognised by ISO 9001, 1400 and EMAS certification in compliance with ISO Quality system requirements and good environmental practices which certifies the high quality port services from ship to office, in strictly compliance of the ISPS CODE and waste management under MARPOL auspices.
