_WELCOME TO THE COMMERCIAL PORTS OF CATALONIA

Ports de la Generalitat is a public-sector company affiliated to the Department of Territory and Sustainability of the Generalitat of Catalonia.

Ports de la Generalitat is in charge of running all non concessioned fishing harbours, marinas and cargo ports directly managed by the Catalan government. This is a total of 26 facilities where among them the cargo ports of **Palamós (Girona)**, **Vilanova i la Geltrú (Barcelona)**, **Sant Carles de la Ràpita** and the port of **Alcanar (Tarragona)** are part of it.

All the commercial ports of **Ports of Catalonia** are recognised by ISO 9001, 1400 and EMAS certification in compliance with ISO Quality system requirements and good environmental practices which certifies the high quality port services from ship to office, in strictly compliance of the ISPS CODE and waste management under MARPOL auspices.

BALEARIC ISLANDS

02 VILANOVA I LA GELTRÚ PORT

The port of Vilanova is located between two of the Western Mediterranean ports: the port of Barcelona and that of Tarragona. And it is located through C15 to Lleida region. This situation makes the port of Vilanova the perfect alternative to them, ensuring that it can provide a proximity, high-quality, specialised service.

PRINCIPAL ADVANTAGES

- Flexible cargo terminal suitable for big and small companies
- Highly specialized in general, bulk and projects
- Terminal connected with main road network- Mediterranean Corridor
- Terminal works 7/24
- Terminal warehouse capacity
